“ Brother Charles McNeil was like a Brother to me. We shared so many wonderful times together in our home church Bibleway Holy. Beyond church we were also great friends and buddies. I always loved how Charles mother called him Brother. Indeed he was the epitome of a Brother and friend. You could always depend on him to be available to help in any situation. He had a captivating smile that always made you feel good. May the Lord bless the McNeil family, and all the connected families and friends of Charles McNeil. Be richly benefited and blessed.
