“ Our sincere condolences to the Walker family.
It's been a rough couple years but with God
all things are possible. We're here for you in
whatever capacity needed. We love you.

“ When I moved to SC my mother and I went to see Bermard and Joanne and we went to see the Eisly Brothers and Regina Belle. We had a great time and it put a big smile on my mother's face to see her grand nephew and his family doing good. I will miss him and I know my mother will be there to give him a hug.
