“ I will truly miss you my brother
Who do I tell all my problems too
Then I would in up 😭 when you would say "
You Do You Boo" 😭
I will miss calling you on the weekends.

I thank you for being the husband, dad, brother, and uncle you was.

*My heart still ache, but it also rejoice knowing you are not in pain
and I now cherish those special memories.*

Charlie Sister Lisa - March 29, 2021 at 02:33 PM

Amen 🙏
