“ Chris was my friend, my hang out partner, and my son. Chris was a good man, at work and outside of work. He would do anything for you. He was my protector at work. Not only my protector he was all the female staff protector. Most of all what I really admired Chris because he knew the word of God. He was a praying man. I love Chris and will deeply miss him. But I know he is in a better place. No more suffering. RIH take your Rest.
