“ *Chris was always respectable towards his elder people. If I needed him to come look at something to be worked on or looked at, in or on my home, I could count on him to do it. If I needed a ride somewhere & he was able to do it, he was there. He loved his wife without question. He loved his children beyond measure. There was nothing he wouldn't do for them. I'm grateful for the years I was blessed to have with him. He would come by my house every now & again to check on me when my father passed away last year. I'm certain that he is having the time of his life in Heaven. Keep the party going until I get there fam. You will be missed but your legacy will live on through those you left your fingerprint with.*
