“ *My condolences to Woo's entire family especially his children and all that knew and loved him. I fondly remember Woo from my time at N.C. Central University. He was a good soul who would always come through when you least expected it and he was a talented photographer. I'll never forget the one time I needed to use a kitchen he and his roommates opened their home for me. He tried a piece of raw ginger root like it didn't even phase him. I'll miss him. Rest in Power Woo.*
