“ *The Smith family from New York city is deeply sadden to hear about another loved one's life cut so short. No matter what age a person dies, we never want them to leave our side. It's too hard not to be selfish when GOD get's ready to call home his precious ones. Our prayers are with the McKee-Lamb Family, extented family members, friends and other lives that Mrs. McKee-Lamb touched and inspired during her walk on earth. Her job is well-done and it's time for us to pick up where she left off. It's time for her to rest. Let's bring out the best! Peace & Love,*
The Smith Family from New York city.
