“ Treetop Apartments would like to express our sincere condolences to the family and friends of Clarence Ferguson. Mr. Ferguson, known to many of us in the community as "Mr. Gene" was a long time resident of the community and known by most who lived here. For many he was the first face they would see when they arrived to rent an apartment as he liked to rest under the trees in front of the office. He was an integral part of our community and is deeply missed. He was more than just a resident, he was a member of our Treetop Family. Our thoughts and prayers are with his loved ones during this difficult time.

*With Love,*
