“ *I remember big cuz was the first person I can remember who had the moving trucks popping in Brick City back in the 90's! He showed us early on what it looked like to successfully run a company. I missed it then, being young running around with Lil Clarence and Dale but I clearly see now that he was giving us the blueprint for entrepreneurship early on. Cuz was always solid and handled his business. Much Love and grace to the immediate fam. Rest easy cuzzo 🙏*
