“ *As far back as I can remember. I would see Uncle Tibby on the back of the Garage truck. He would have his ball of chewing tobacco rolled perfectly in his mouth. He would visit us often and get some bait out the bait box. The joy was when went went to visit him and Aunt Jit. He would be in his favorite place the couch. He would say few words but the love was always felt. He will be missed but I know he's now layin on that couch in the Sky!*

“ Clyde King known to all who truly loved him as “Tibby.” There was only one of him m, loving, kind and gentle. Always there when you needed a helping hand. “Tibby” my friend thank you for making a difference in my life. I will truly miss you but forever love you. “A precious one from is gone, a voice we love is still . A place is vacant in our hearts, that no one can fill. Good night my sweet friend. Rest well. I love you always
