“ *My guy. Followed your big bro Vic and I around as we're growing up. You hung on to everything we did and said. Was super tight with your family since our genesis. Truly awesome to have known you bro. Gone far too soon. Rest Well Fam..*

“ *Hey Doo, I was at a loss of words finding out you passed away a month ago not even knowing . Everytime I came home from overseas, or anywhere it was always good to see you, and always asked me if I was good. The day I found out I went to your old place, and poured one for you with our brother Anquell in your honor. Going around the hood, and Surbrban Mart will never be the same with you gone my brother, so rest well and no more pain. Rest well classmate you will be truly missed.....*

To the Wilkerson Family, my family and I express our sincere condolences to your family. We are so sorry for the loss of your brother Dontez. We express our condolences to his daughter Cordeja and her two sister's whom he loved dearly. I know that Dontez was in a better place in his life before passing, he was tired and in pain. He wanted to go home to rest and feel no more pain. He is now resting in heaven. He wants us all to do better until our time has come to join him. Everyone who knew Dontez, knew he was a good person and would help anyone he could, that needed his help. We will definitely meet him again. Until then, RIH Dontez our beautiful Cousin! We love you 💕

Don Doo,

My little brother. Down like town and always smiling, never a frown. Remember you wanting to hang out with the older cats back in the day. The fact that you bigged up everyone you encountered speaks volumes about your character. Losing you here on Earth is heartbreaking however Our Father will look after you now. May God rest your soul 🙏. Peace young warrior.

“ We met in 1976 when my family moved next door to yours, and we immediately embraced each other and became childhood besties. The bond that we shared was the kind of bond that is shared between family members. I will forever remember our life experiences together (from our walks to Ferguson to us exchanging our last hug on July 15, 2020). I thank the Most High for blessing me with our friendship.

Until we greet each other again,  
Love Corine
