“ Cori was always the same whenever we saw each other. So many memories of him in my childhood neighborhood and the comfort in knowing that he would look out for me if my brother wasn't there. He was a stand up guy who always positively impacted anyone he came in contact with. He was loved and he will be missed!! Take your rest my friend!

“ My "little brother" .....I am so heartbroken. All I can think about is us getting home from school every day and talking on the phone for hours. I know we are not supposed question "WHY"...but loosing you dearest friend, was not supposed to happen. Rest easy bro. I know our mothers were there to receive you in Heaven. Don't worry about a thing little brother, I will take it from here.....

Your big sis,  
Dionna
