“ *My brother was the best. Eventhough We Were miles apart he always made sure that I knew how much he loved me. My heart is heavy with the lost of a wonderful man but he is no longer in pain. Free from this world to finally be at peace and rest his wary soul. I love you so much big brother. You will forever be in my heart, prayers, and thoughts. Rest in peace.*

“ *To Nicole and Family: Although I have not seen Curtis in many years, I do remember him being a very funny guy in Junior High School. He always liked to make people laugh and always had a smile on his face. Praying that God will provide His strength and peace to you all. God bless.*
