“ *Curtis I'm still broken and hurt by your passing. The tears won't stop flowing. I struggle to come to terms with the fact that you are no longer with us. I just don't understand why. Why my brother? He was genuinely a great guy, bothered no one, loved his kids, worked, was happy about his life and his new girl and the future so why him. I wouldn't wish this pain on no one. Your silly laughter brightened even the darkest days. You were always in a good mood. I'm proud of the man you became. I had your back then and I will forever have your back. I'm trying to be strong and smile through the pain. This is so hard. I would give anything to hear you laugh again even if it's for a moment. Your name will never be forgotten. Until we meet again just know that you eternally loved and deeply missed. Your sister Boo*
