“ *Wow Cynthia was the best. It seems like it was just yesterday when she was walking through the doors at work. She kept me laughing and told me all the stories about her son. She loved him so much he was her world. Makee your mom is now your gaurdian angel and I know she will always be with you. I will miss my friend but the memories we shared will live on in my heart. I love you Cynthia.*

“ Mother i miss you so much. I cry every day about this , you just dont know how bad im hurt . You spoiled me as a child until now and i will always respect you and love you for that . Its still unbelievable that your gone. Its going to hurt me so bad friday . Our bond was the best. You did all you could do to raise me right and you did a great job , you always told me you not going to be here the rest of my life so i gotta get myself together , i just didnt know it would happen so soon . Watch over me momma as i try to live in this world alone. I love momma so much Makey Jones (your son)
