

Mrs. Cynthia Smith

December 2, 1958 - June 17, 2021

Cynthia Gail McDowell Smith began her earthly journey on December 2, 1958, the daughter of Katie McDowell Copeland. Her mother held fast to the bible's teachings to "train up a child in the way he should go" which resulted in Cynthia's early affiliation with First Baptist Church under the leadership of Dr. E. B Turner. Her spiritual journey would transition her to obtain membership at Cromartie's Temple of Praise under the discipleship of Elder George Cromartie. Upon her relocation to Raleigh, NC Cynthia attended Wake Chapel Church.

At an early age, Cynthia's intellectual abilities became apparent while attending South Lumberton Elementary School (W.H. Knuckles) where she was an avid reader and quickly absorbed information. Cynthia was a member of the class of 1977 at Lumberton Senior High School and matriculated to the University of North Carolina at Pembroke graduating in 1981 with a Bachelor of Science in education. While attending UNCP, Cynthia met her future husband and life partner Saul Alphonzo Smith III (Zack). According to Zack, he and Cynthia were introduced by a mutual friend and there was an instant attraction which included making him laugh. Although it was his senior year, he knew there was something special about Cynthia particularly her intellect which she also admired in him having seen his name on the Dean's List. Zack says that their relationship blossomed when they realized they shared the same life goals which included obtaining their college

degrees, establishing careers, buying a home, having a family, assuring that their children graduated from college, retiring and traveling. Zack and Cynthia celebrated 38 years of marriage. Upon receiving her teaching licensure, she began her thirty-year educational career with the Public Schools of Robeson County eventually transitioning to the Wake County Public Schools as a math teacher. She was an outstanding educator and mentor as evidenced by her being named Teacher of the Year while at East Wake Middle School. Her professional affiliations included membership in the North Carolina Association of Educator (NCAE).

Having superbly fulfilled her calling as a classroom teacher inspiring critical thinkers, Cynthia retired in 2012 after successfully enriching the lives of her students and colleagues. Her thirst for knowledge continued during her retirement as she traveled extensively absorbing the culture and lifestyles of South Africa, Paris, France, Switzerland, Germany and several states. Her post-employment period also afforded her the opportunity to spend quality time with her grandchildren.

In the early dawn of Thursday, June 17, 2021 God called his warrior home, fulfilling her earthly journey. Cynthia finished her course having maintained her faith through all of life's circumstances and now rests peacefully in the arms of her Savior and Redeemer.

Cynthia was pre-deceased by her father Leroy Copeland, Jr., nephew Jerrell Flowers and her in-laws Saul Alphonzo (Mary Esther) Smith II.

In addition to her husband, Saul Alphonzo Smith III and her mother, Katie McDowell Copeland, others left to cherish her memory and carry on her legacy include her children: Kristen (Derrick) Kemp, Brandon Smith and Damian Smith all of Raleigh, NC. Her legacy and love of life continues through her grandchildren Derren Kemp and Kaylin Kemp, Raleigh, NC, sisters:

LaRosa McDowell of Lumberton, NC, Sylvia (Bobby) Scales of Fort Dodge, Iowa and her brother Gregory McDowell of Lumberton, N.C. thirty-five nieces and nephews, seven sisters-in-law and one brother in-law. Special friends: Laureen Bines of Durham, N.C. and Thydora Wilson of Raleigh, NC. Her aunt Mary McDowell and uncle Cleveland McDowell of Lumberton NC.

“Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord.” . Matthew 25:2

“ Cynthia Smith was a wonderful teacher. I taught students with severe physical and mental disabilities at Carroll. Cynthia had a wonderful attitude toward these students and was always excited and happy to provide student helpers from her classes and participated in Wake Education Partnership grant activities that promoted interaction and understanding between students of extremely varied ability levels. I always thought of her as a friend with a quick smile who always had kind words of encouragement for both students and colleagues.

“ *Although I haven't seen Cynthia in years, as I retired from Carroll Middle 3 1/2 years ago and she retired several years before me, we have been in contact through facebook and what I remember mostly is how encouraging, positive, and delightful she has always been in our "facebook" conversations. When we both were at Carroll together, for years, she was always cheerful, positive and it was wonderful to work with her, always so collaboratively! My prayers are for her family during this grieving time.*

“ *Cynthia was one of the first teachers I hired as principal of Carrol Middle School. She proved to be not only an exceptional teacher but a wonderful role model for students. She was a straight forward and honest person who loved laughter and being around friends. Her heart was her family who she always spoke of with so much love. A beautiful flower has been plucked from earth to be placed in the heavenly garden. Rest well Cynthia!*

“ Cynthia, my best friend, my travel and adventure companion. We always had each other's back. Like when we were in Paris. Our tour guide told us not to buy anything from the people selling trinkets on the streets because the police would put you in jail. You heard a sob story from one of the people and bought several little trinkets from him. So I took some so if we were caught we would be together. However, we were not caught. We had the best time in Europe and met a lot of good and interesting people. When I had my first case of cancer she would call me, visit me, and text me to keep my spirits up. She had a wonderful laugh, a great sense of humor, a great positive way of looking at life, a great sense of what was right and wrong, and was a great lie detector. Girl, you will be missed everyday.

I love you Cynthia!

Always,

“ Dear Family, I was deeply saddened to hear of Cynthia's passing. I remember her kindness as we worked on the same teaching team at Carroll Middle School. She loved teaching math and was such an awesome teacher! She often spoke of her love for her family! She will be sorely missed. My heart goes out to you at this difficult time. My prayers are with you. Deborah Pridgeon

“ Cynthia, my friend, my sister, my customer, you were all those things rolled into one. We have shared so much over the more than 30 years in the beauty salon. We laughed and cried together and solved many problems in the chair. I am praying for GOD to carry your family during this difficult time. I love you all
