“ Share a memory? Well, I remember she was my sister. I did not know, until today, that my sister had passed away. Is there anyone who can give the family any information as to what happened to our sister, daughter, auntie, and friend?

Melinda England McCloud - June 01, 2015 at 09:38 PM

I found out from her former next door neighbor just a few days ago. What happened to her pets? I'm very sorry for the loss of your sister. I know that she had a lot of difficult times and challenges in recent years. I pray she is at peace now.
