“ Mrs. Myrick, one of the most dependable staff members at Westover Middle School. You got greeted with her smile and if ever a student needed to be removed from your class, she was there. The students knew it was not good if Mrs. Myrick had to come get you. She shined when she talked about her sons. How proud she was of them! I am glad I was granted the opportunity to cross paths with this solid rock of a woman.

“ *What an amazing sister, friend, neighbor, co-worker and prayer partner. I thank God that He blessed me to know and love this gift to the world. Darlene lived her faith out loud, unapologetically and her faith never wavered. She continued giving me names to put on my prayer list because she was believing God for their healing! Her creativity and generous heart with her diamond art brought joy to the many she shared her labor of love with. Book marks and wall art are forever in homes bringing joy, comfort and hope just as she designed them to do.*

She demonstrated love for her family, her church, her friends, strangers, the Cowboys, Dawn Staley’s girls, and her on point shoe collection.

I knew she was coming with the truth when she would turn her head to the side, point her finger and smile. It was in my best interest to pay close attention.

She would text me in the mornings with the first line of her hymn of the day and I would respond with the second line. Our morning conversations could grow to a full blown praise party! What a way to begin the day. We’d text at the end of the day too, counting our blessings and praying for sweet and peaceful rest. Darlene fought a good fight, finished her course and has earned her sweet and peaceful rest.

Thank You God for this amazing gift, Darlene Stephanie Nichols Myrick. Praying for strength, comfort, peace, guidance and wisdom for this precious family. 🙏

“ We met during sports when our boys were young. No matter when we saw each other and it usually was shopping, she always greeted me the same. We always took that time to catch up on the boys. Excited about having grandchildren. She was true to me and mine. When the world looked down on us she stood tall. I thank her so much for being there for us. She will definitely be missed.

Mrs. Myrick was my teacher in middle school. I loved her like a second mom. She truly helped me realize I can be an outstanding young lady. Mrs. Myrick would encourage me all the time and her sweet personality allowed her to always take the time to talk, encourage, and help whomever needed it. I hadn't seen her in 3-4 years but when I last saw her she was so bright and seeing her made my day. We talked and laughed like old times. My condolences to the family. Mrs. Myrick was truly an angel on Earth. I will miss her so much. God bless Mrs. Myrick and her family now and forever.

“ I first met you 38 years ago when you came to substitute at Westover and we became instant friends. We’ve talked about everything and it remained between us. We have kept in touch all these years even bringing my mom into the fold. She received her 1st Christmas card for the season from you. It brought her such joy that you thought about her. She looked for her card and envelope and she still has them. I will miss you dear friend and I love you.

“ I met Darlene when our children ran track with the Fayetteville flyers. She brought me into the "track mom" fold. Over the years , prior retirement I kept in touch with her. She always told me, I must have timed the school fire drills, because I called faithfully during those times.
Rest in the arms of our Saviour. You fought a good fight. Love you my friend.
