“ *I remember Darrel and his brother Marvin. They were both in my class at Fairgrove Middle School. Darrel always had a smile and was eager to come to my class. Both young men had a very supportive mother and my heart breaks for her at this time. I went through this same thing two and one half years ago when my 22 year old son was murdered. My prayers are with his mother and his family at this time. I know the hurt and the pain she is experiencing. Darrell was a good student and a typical student. As they say boys will be boys and they were both filled with energy but they never disrespected me as their teacher. If there is anything I can do even if you just want to talk, let me know.*
