KiKi & D'Angelo, it sadden my heart to learn of the passing of your dad because I know that he meant so much to you and you to him. May the memories of your relationship with dad carry you, comfort you, in the days ahead. May your dad continue to live on in your hearts. He left behind a beautiful legacy. I am so proud of you D'Angelo and KiKi in how you both have grown up doing great things in the community and in your church. Always look to Jesus for strenght, he will see you thru!
