“ You weren't the funniest, but dad, you always did make me smile. I may not have made you the proudest father but you still were there to care for me. I know you are still around, just not physically anymore. I love you dad, and you will be missed.

“ Oh Larry how we miss you. You were the most kindest man I knew always there to lend a hand with anything and everything. Such a big help with all the kids who adored you because you were a big kid yourself. The memories I will cherish the most are all them visits to food lion. We love you and can't wait to see you again.
