“ sorry for the lost PAGE family, David better known as DANIEL was a great man with a great personality and since of humor. Where someone is in Daniel would make sure whatever he could do he could help. He would be truly missed. When i heard the news i couldnt believe what i was hearing, I was like no way but DANIEL go ahead and get your rest, YOU know me as BOBO and apparently there will and will NEVER be kool man like yourself ever lived. There not many of you. I thank GOD during the time you was able to grace us with your presence and learning us and well as our family how to play DOMINO'S which was your favorites as POKER.
