“Apostle DA is one of my favorite people in the entire world. She's always so loving and caring to everyone she encounters. Every time she greeted me, she addressed me as "My baby." I have had the awesome privilege to carry her name for the past 21 years and I am going to continue her legacy of love and obedience to God, so I can continue to make her smile. I wouldn't be the woman God has called me to be if it wasn't for all the advice and life you spoke into me. I truly believe that you know me better than I know myself most days. I know you're in Heaven dancing in your beach front mansion. When the sun shines really bright, it reminds me of your beautiful smile. Thank you so much for teaching me to take my love pill and to always have a repentant heart (especially for my road rage). I love you forever and always and I'll continue to make you proud and honor our name.

“ I thank God for the time He allowed Apostle DA to be in my life. She lead, she prayed, she loved, she feed, she laughed and she brought so much joy to me and others around her. Her smile was radiant. She was an encourager and always had your back. She was a true watchman (woman) on the wall for God's people. She would always talk about having her ticket (Jesus) to get to heaven and to make sure we had our ticket when the time came. I am so glad she is in Heaven with the Father rejoicing.
