“ Oh the many laughs I have shared with your mother as a classmate but even more as a friend. I have spent many days in the home of your grandmother. Where we would rattle the walls with laughter at many things. Your mother had that spark, that flair, that we are doing this attitude. I'll forever remeber when she said I have the perfect prom shoe for you to wear and she did and Just like those prom shoes she will forevermore sparkle in the memories we shared. Rest in peace Debra at the feet of Jesus! May the Lord bless each of you. CLASS OF 89 🙏 Angela Avery Walton
