“ Hi my name is Kayla and I am a local student and I must say that I am truly sorry for your loss. There is a comforting scripture at Isaiah 25:8 that says Jehovah will eventually swallow up death forever and will wipe away all the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some comfort during these difficult times ahead.

*It has been 11 years since you went away. I miss you as I did the night you passed away. You were my first sister and we were sisters for 58 years. You were my first sister and for several years we were the best of friends not just sisters. We also had our ups and downs just like all sister's do. But before you went away, we were the best of sisters. We had a lot of great times growing up together and as adults too. So, I pray that you knew, how much you meant to me. How much I miss our talks and our hanging out together. I will see you again one day.  
Love you. Debbie,  
your oldest sister, Sandy Hall*
