“ Dear Uncle Sonny,

*The loss of you is deeply profound, and my heart aches knowing you are no longer with us. You were more than just my uncle—you were my inspiration. I followed in your footsteps, sharing your passion for motorcycles, horses, and the Order of the Eastern Star. Through your love for life, you taught me the value of adventure, dedication, and family.*

*Your absence leaves a void that can never be filled, but your spirit will always live on in the memories we shared and the lessons you imparted. You will be truly missed.*

*My deepest condolences to my family as we navigate this loss together.*

*With love,  
Toni*

“ WOW... when I heard the news, my heart just ached! Bishop and Cotie were mentors to my husband and I when we first got saved/married. He officiated our wedding reception. They loved us and never treated us differently than their own children. Wanda, Barbara and Conesha, we love ya'll and know we love ya'!!! Robert and Vickie
