“ Tanya I’m so sorry to hear about DeMarcus. I so remember the laughs we had about home not saying Cardiology right. Just a ball of fun. It breaks my heart to know you’re in so much pain. I know how much you love you babies. Praying for you all my friend. God please be with my friend and all joining families. In Jesus name. Amen.

“ Sending my condolences and prays to the Family. My heart is very heavy hear about DeMarcus. I thank God for having a opportunity to be apart of DeMarcus life when he attended the Salvation Army Afterschool Program & Summer Camp. I was one of DeMarcus’s Counselors and it was always a Joy having him there with that big bright smile on his face. He loved playing football 🏈 and was really good. May God strength this Family during this time and comfort them in coming days. Ms. Cynthia 🙏📖🙏

“ *Demarcus, such a beautiful spirit. He was always respectful and always humble. The love he had for his mother, and sister was undeniably. Heaven as gained a beautiful angel. Demarcus, my family has watched you transition for a infant to a young man. The Butler-Gonzales family will cherish the memories we shared with you.*

“ We'll always remember the 2013 Spring Lake Ravens led by Demarcus. He played hard and was a light to show the way for my very own son Kelan. This boy played with passion and love in his eyes for the game. I'll never forget his face.

“ DC, you were so sweet, loving, and funny. There was never a dull moment with you. When we met, you were so little. I had never met someone so little with so much personality. I still remember your face and the ongoing jokes for weeks about that time I tried to fry chicken lol (I finally got it together tho lol) and the way you would say Ms Angelita Lala.... (Telling anything and everything lol) You're truly going to be missed. The memories you created not only with me but with everyone you came in contact with will live on forever. That's just the type of impact you carried. Rest in peace baby boy 💙

Shell, I love you. My heart and prayers are with you.

My condolences to the entire Chambliss/McAllister Family.
