“ To the entire family & friends of Cornell please except my Heartfelt Sympathy, Love, Condolences & Always N My Prayer 🙏 Remembering when the Gamble Family moved in our gate as we called it with Ms. Flora, 3 son's & 2 daughter's becoming our nextdoor neighbor & later as our row of families was always one Big family So of course they as well became family & still are as to this day. Please know that you're not alone during this difficult time because first & foremost God is in the midst of U all & so many were/are effected by Cornell's transitioning 🕊️ The very last time seeing him, my son Tony & I was checking on Ola Mae & when he saw us parked at her house, we then of course became his audience/guest so y'all already know he gave us a please stop talking moment because with his talking all U could/can do is laugh until your stomach is sore from laughing so hard but my son had to walk away trying not to hear him because when around Cornell he always ends up throwing up from laughing so hard & I'm saying let's go but he keeps on talking & we kept on laughing for over more than an hour 😊 Oh by the way we never did see Ola Mae even though parked at her house. But that was who Cornell Gamble was, So Full of Life. So Family, Weeping May Endureth For A Night But JOY Cometh N The Morning 📖 Williams/Campbell Family 💕🙏 Pastor Campbell...AKA, Neebug
