“ *So sorry to hear of the family loss. I remember Dennis from when we were all teens. He had a charm to him and such a mild manner. Where did the years go? We blinked and turned into adults. Saddened to hear the news of his passing. As we know death is not the end. We are promised life again in better paradisaic conditions as was our original purpose. This promise will reunite us again.*

“ *The Winkfield family continues to look forward to the resurrection hope a time when all in the Memorial tombs will be released. I know it's comforting to know the sting of Death is temporary even though the loss of a family member is disheartening. Praying for comfort and peace for you all.*
