“ *Blessings to the family. I was blessed to have known Desmond for a number of years. I served as his Qualified Developmental Disabilities Professional when he was just getting started developing his group homes. Desmond was smart and very knowledgeable of the mental health businesses and yet he had compassion and loving care for his consumers and staff. We were both blessed to have had the opportunity to have met, form a friendship and retained our friendship over the years. Rest In Peace My Dear Friend. Alvin F. Midgette Sr.*
