“ Debbo, our hearts are broken and filled with saddness. You were always so kind and well mannered at our family functions. We always enjoyed you showing up to get you a plate. You and Travis are together again! I know you all are smiling and catching up. I just can't believe you are gone. May God give your family comfort and peace during this difficult time. "To be absence from the body, is to be present with the Lord!!" We love you!!
