“ I met you in 2003. U knocked on my door and asked if you could wash my car. From there we shared almost 10 yrs from there. I loved you from the first day we spent together. Loving, living, fighting and fusing, sharing, caring and taking care of one another. But we shared loved from day one. I always knew we were each others one. To love forever. I hate your gone this way, but Im grateful that the Heavenly Father allowed us to share your last four days of life on this earth together. We laughed..we cried..u were able to be free for a moment from your world of stress and hurt. I know Gods plan was to relieve you from your misery and pain, but Sweetie Im not ready to let you go. But God knows best.

I will love you forever in a day. Whenever I hear certain songs...or I prepare certain food that you loved..or see certain billboards..or when its time for bed. Ill always keep you close. I pray that your world of stree and worry was eased alittle. I miss you every second of every of day Sweetie. Until I see your smile again.

I love you forever in a day Sweetie

Rest easy my Love
