“ Before my mom passed, Apostle came to the house to pray for her. We thought she had stopped talking, but when he entered her room, she told him that she was putting all 5 of her kids in his hands. He has never let her down and he did what a good spiritual father would do...he preached the unadulterated word of GOD!!! As we healed and ventured away from the nest, we never never lost our love for him or GOD! Apostle I love you and will be obedient and do as you say. So to the family, please know that the family of Pastor Lloyd Wright is here for you and will continue to pray for you. We love you!
