“ THE NEWS...

I found out today that an elderly friend of mine passed a few weeks ago. Just so happened that her last name was Johnson and we became pretty close friends in a short while. Mrs. Johnson told everyone that I was HER baby and she treated me as a daughter since my mother passed. Mrs. Johnson was an 84-year old, 4'10 tall, 90 pound, roaring ball of fire! She was a snazzy dresser and quick witted. I enjoyed stories about her grandchildren, children and her growing years. She offered recipes and life advice, after all, 84 years of life is certainly a Doctorate Degree. I will miss Mrs. Johnson, also known as "Shortcakes." When I got the news today, I cried.
