“ We visited Dorwin’s restaurant on a weekly basis for several months during the pandemic. It was one of the few “normal” experiences we had as a family during that crazy time, so each night out was very important to us. Within a couple weeks, Darwin was greeting us by name and was so welcoming and friendly. It helped make our visits that much more special. After a long hiatus, we recently returned to the restaurant only to learn of his tragic passing. We will be forever grateful for his kind demeanor—our sincere condolences to his family.

“ Today I learned of Dorwin’s passing. I was reaching out to him at PDQ for support of our upcoming fundraiser. Last year, he generously supported our event when all others could not because of the impact the pandemic had on their business. He went above and beyond what we asked for. He was such a gentleman and a delight to work with. I was so sorry to hear of his passing at such a young age. My sincere sympathy for his family.
