

Dr. Brenda Haynes

October 30, 1963 - October 2, 2021

Dr. Brenda Haynes was born on October 30, 19663 to Thurman and Betty Smith of Fayetteville NC. She departed this life on October 1, 2021. She received her high school diploma from Terry Sanford High School. She received her bachelor's degree from Fayetteville State University and her master's degree from Garner Webb University.

Brenda retired from Cumberland County Schools after working for 33 years at both Terry Sanford High School and E. E. Smith School. She was loved by many students, teachers, and the community alike.

One of her greatest joys was her church family Revival Time Ministries. "The wagons are coming", is the church motto. Revival Time Ministries was established in October 2010. There were many souls brought to the kingdom because of the call on her life. She never met a stranger and always extended her hands to help in any way she could.

Her testimony was she loved people. She always shared whatever she had whether it was vacations, clothing, shoes, anything a person might need or just want. She truly will be missed by friends and family. She was full of fun and laughter and loved to sing. She made a song out of anything. There is a large hole in the family because of her transition. All whom have met her sings her praises just like the Proverbs 31 woman we call her blessed.

Proceeding her in death, her father Thurman Smith, sister Elizabeth Walton, and brother-in-law James Haynes. She leaves to cherish her memories: her husband John Haynes of 34 years, her mother Betty Smith, daughter Andrea,

a special son Shaquille Anderson, and grandson Kamahl Glenn, all of Fayetteville, North Carolina. She also leaves 3 sisters, Delmethia (Davis) of Richmond VA, Patricia (Joseph) of Fayetteville, North Carolina, Regina “Debbie” (Terry) of Jacksonville, Florida. Also 3 brothers, Thurman Jr (Dorothy) of Fayetteville, NC, John Edward (Darlene) of Fayetteville NC and Daniel Smith (Rozy) of Kuwait and Michael of Charlotte, NC. A host of nieces, nephews, relatives, and friends.

“ My heart and prayers go out to the Haynes family. When I met Dr. Haynes we immediately connected. I was so happy to bring her on to the Miller Motte staff, for instantly I knew she had a special gift that would encourage the staff and students. Dr. Haynes' gift of kindness, good will, and encouragement will surely be missed. To the Haynes family, continue to keep The God Almighty close. Look to Him for comfort and peace. I thank God for having the opportunity of having Dr. Haynes in my life. What a special person. Loleta Wilkerson

“ *To the Haynes family, we extend our heartfelt sympathy on the loss of your loved one; Dr. Brenda Haynes. Your "wife" was an extraordinary woman and will always be remembered for your courageous spirit in sharing the word of God, her contagious smile in meeting and greeting people, and the joy she shared in education that improved the lives of so many children. So many times she shared her passion for fashion; clothing, handbags, and shoes. There was always that "perfect" one for a special occasion. Brenda touched so many people with her generosity and kind heart; therefore; I trust you find strength together to sustain you at this most difficult time.*

“ *Mr. and Mrs. Hayes both Blessed my family during my season at Terry Sanford as a teacher. Her soft spoken words of encouragements and wisdom will never be forgotten. It was only God that put her in the presence with my son years later at E.E. Smith High School. He had a chance to meet the woman that I had spoken so highly of years before. She is now in that paradise she preached about many of times. I will see you again my friend.*

“ I thank God for allowing this beautiful and highly anointed jewel to grace the lives of the Kelly family, Vanessa, Matthew & Valisha. Words can never express the love and appreciation we have for Pastor Dr. Brenda Haynes. She touched and encouraged the hearts and lives of millions of people as a Teacher, Preacher and Friend. Pastor Haynes Was an encourager who not only talked about love but she shared and showed the love to everyone who was blessed to know her. I am so grateful that we were able to celebrate and share with her some of her greatest accomplishments. She preached the word of God and sang His praises with an anointed zeal. Her physical presence will be missed here, but we know she is resting in the Lord and we will forever keep her in our hearts and hold on to the precious memories. We will continually pray for Deacon Haynes, Andrea, Kamahl, Mother Smith, Sisters, Brothers and the Members of her Church Revival Time Ministries. Love to the family: Elder Annie Kelly

“ *When I was 18 years old, I began attending and later would join the ministry of Bishop O.L. Conyers, those of you that knew him knew he was an amazing and transformative figure. He spoke in my life when I was badly in need of leadership, maturity and spiritual wellbeing. One of the things I remember him talking about was finding a good exit. If it's true that our life is a journey then it is prudent that we plan for our exit. Brenda had such vision, she prepared for this day I would say better than she prepared for any sermon or lesson plan. As a leader she knew well about vision and gave it in her many sermons. We could see a better day coming because of her ministry, the day of hope became tangible because of her unique way of expressing the love of God. I remember being at her initial sermon and was so impacted by her word that I invited her shortly thereafter to speak at my first pastورشip. She is now greatly missed and forever will be loved.*

“ *Dr. Brenda Haynes will be missed. As a former student, I remember her holding all of her students to high expectations. She treated each of us with a great deal of respect and made us feel equally loved. Dr. Haynes had a way of pulling greatness out of everyone she met. She has left the world a better place and impacted the lives of many. Her legacy will continue through Mr. John, Andrea, Kamahl, her family, students, and friends.
