“ He was my sergeant on patrol and in traffic investigations. A GREAT LEADER and even a better man. He will be missed for sure as he is showing those “Blue Angel Wings” to all who went before him. RIP

“ My deepest condolences to Jonathan Whitt and all other family members and friends of Edgar Merritt, affectionately known as “Sonny.”

He was quite a character and he was someone who never met a stranger. He would always go out of his way to help others. Sonny had so many gifts and talents and was never afraid to try anything at least once, such as taking up picture framing and he would frame better than the professionals and also taking classes at FTCC to upholster a couch just like a professional. He was very outspoken and a bit mischievous but would never harm a fly. I shall cherish all the fond memories of this gentle huggable teddy bear as I will miss him dearly.

Rip SONNY.
