“ I met "Mr. Ed" in the early 2000s while riding the van to Raleigh. He was such a nice, kind man who had the biggest smile. My son asked about him the other day out of the blue because he remembers riding with my husband and his brother to pick me up from the van in the afternoons. That smile in the picture is exactly how I remember it. My condolences to the family. Mr. Ed represented your family very well. RIP Mr. Ed.

“ *I'm sorry for the loss of your loved one. I met Ed when he joined my vanpool going to Raleigh, that's when our friendship began and I also had the pleasure of meeting his lovely wife. Ed later became our POC of the vanpool. He was a very kind and remarkable man, always reaching out to help if he could. I knew him to be a great husband, father, grandfather & more. Words can't truly express the sorrow I'm feeling right now. We shared so many yrs riding up/down that ride commuting to Raleigh. He will definitely be missed. I'll continue to keep all of you in my prayers and may God continue to comfort and bless you!*
