“ *There are no words to express the gift of having experience the spirit of Mrs. Marshall, I can only state that I am truly grateful for the privilege of meeting and spending some unforgettable times with her. What a God we serve that allows such a manifestation of love that we can touch through one another, and Mrs. Marshall is definitely that treasure only few will find.*

May peace and blessings be with Mr. Marshall, Ira and Aya in this time of transition, and my prayer is that after the pain the memories of having been blessed with such a being as her will bring a comfort that keeps them until they all meet again.

I salute you Mrs. Marshall for a job well done!

To God be all the glory,

From the heart of Bettye J. Patton

“ Edwina you're already missed. To be absent from the body is to be present with the Lord. Our parents, her mom and my dad were siblings. She and her soul mate Abe always made everyone feel so welcomed when in their presence. My dear darling, we never thought you'd get to Heaven before my sister or myself, but God knew you were ready. You will live in our hearts until God calls us home. Until we join you, take care of the family. You are probably being the gracious host that naturally are. Love you my dear <3 <3 Sandra

“ I will treasure so very many wonderful memories having worked with Edwina for fourteen years. We had so many laughs and tears together. She was a wonderful person and a dear friend. I will miss her laugh and her care free personality. She will be deeply missed.

Though we can't be with you for her homecoming, know we are there in spirit. She had such a genuine laugh. I can here it now. Love and Blessings Abe, to you and your family.
