“ Dear McNeill, Poole, Thompson and McMillian families you are in our prayers....when we heard of Lamont transition we were sadden ...we watched him grow from a boy unto a respectful young man....Families know that we are praying for you and with you..1 Thessalonians 4:13-18

And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope. For since we believe that Jesus died and was raised to life again, we also believe that when Jesus returns, God will bring back with him the believers who have died. We tell you this directly from the Lord: We who are still living when the Lord returns will not meet him ahead of those who have died. For the Lord himself will come down from heaven with a commanding shout, with the voice of the archangel, and with the trumpet call of God. First, the Christians who have died will rise from their graves. Then, together with them, we who are still alive and remain on the earth will be caught up in the clouds to meet the Lord in the air. Then we will be with the Lord forever. So encourage each other with these words.

“ I remember when we had a meeting for my wedding and we had the men at one table and the ladies at the other table. I said what you'll talking bout and you looked with the sweetest smile and said none of your business and started laughing I almost got choked on my food from laughing. I will always remember nothing but good things about especially how good you were to my cousin. I can honestly say that you were the best thing that ever happened to her. Lord knows I'm gone miss you especially your prescence because you always kept us laughing especially the day we went to your house to do some more wedding planning. I can't even have my wedding now knowing that you won't be apart of it.
