“ *There will never be another soul quite like David's, I'll miss his contagious positivity, generosity and impressive ambitions. He always elevated the energy in the room, had great stories to share and genuinely showed he cared when talking to you.*

I'm grateful for his friendship, especially at a time I needed it the most when I first moved to Houston (and equally grateful for all of you!) Also sending love to all of you, life is short, hug your loved ones!
