“ My condolences to the family. I didn't know you very well, but I do know you took care of your husband, my uncle forever. When I came home I would visit, but you were normally working. I remember thinking when were you going to stop. You were always on the move. The last time I saw you was in the parking lot at the shopping center on Rosehill Road. I saw this woman walking fast towards her car, with your hat on. It took a minute before I realized who you were, you were on a mission and moving fast. I stopped you and we talked for a few minutes, then you went on your way. That was a few years ago, but it is as though it was yesterday. Your mission has ended on this earth! So, rest in peace!

I didnot know Elfmon had passed. We would cross paths in the Blue Street Recreation Center occasionally. Sometimes I would call her. She reminded me do much of my grandmother Janie McPherson who was.her fathers sister. She told me she was taking care of her daughter. I regret we lost contact. You do have my most sincere sympathy.
