“ *Not a day goes by your name isn't mentioned. We miss you so much. Our beautiful daughter is growing tremendously. Not only today but other days as well she would say "I want my daddy to come out the sky". Still to young to understand why your're gone; I just want to cry for her little heart as we both share the same pain. She talks to her picture everyday and that's apart of her she will never forget. Love You Montez!!!!*
