“ Dear Family of Dr. Green,
She slipped away from us and I am so sorry I did not know until I read her obituary. Of course, this was just like her to move quietly without fanfare while doing good things. I remember how she could always find a way to get funds donated when any children were in need. I loved and appreciated her giving spirit and her many years of service to students. Rest in peace, Dr. Green and thank you for your gifts.
