“ Condolences
My deepest sympathies to your entire family. I’m sure the grief and sadness you experience feels like it’s more than you can handle. So I pray that you receive much needed love and support from other family and friends to help you cope. And please take comfort in knowing that God promises that He “will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.” (Isaiah 25:8) The Bible teaches that death is not the end. So just imagine the happiness you will feel when your loved one is resurrected! You truly can see them again one day soon.

The Jessie Family,I am deeply sad by the death of my friend.She was a true friend.Always helping who and whenever she could.My heart goes out to everyone in Emma Jeans. I missed her when she moved,this is more difficult because I didn't have the chance to say good by.The last time I spoke to Emma Jean was in February 2014.God be with the Family.
