“ I went to Elementary and High School with Eman. He was always a joy to be around with the most pleasant presence. One of the nicest and well mannered people I ever met. I even saw him a few times recently and he always embraced me and asked how I was. It truly saddens me that he is no longer with us but to be absent from the body is to be present with the lord. Amen. Rest In Peace Eman.

“ *My sincere condolences to the family. The last time I had a conversation with this young man was in August. He was as polite and well mannered as he has been each time I saw/spoke with him. I pray that he is resting peacefully. Such a kind and respectful young man. He will be missed.*
