“ I was one of Nesto's managers at McDonalds, and over the years I have seen him grow, and do just great wonderful things. I am so saddened to hear of his passing. Many young people have left this earth far to soon, My youngest also passed away 11/11/20 she was only 29. I know we are to never question His plans, all I say is that God needed His Angles in Heaven more.  
My heart felt condolences to his family..

“ *Enesto was a student in my class at Westarea Elementary. He was a joy to teach. He had a smile you could never forget. He and his buddies were happy and mischievous. He grew into a great man! When I was sick with cancer he wrote to me on Facebook, reliving his memories of being in my class and he encouraged me to fight for my life. His kind words touched me and made me cry. He reminded me that I wanted to be a teacher to make a difference in a child's life. He totally let me know I made a diifference in his life. The world has lost a wonderful man. This world is a little less brighter because Enesto is gone. He will be missed! Rest in heaven! I love you. Thank you for being in my life!!*
