“ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

I have inherited a lot of your ways. I have lots of plants just like you did when I was a little girl. I guess you can say I have a green thumb like yours. I will miss our Sunday evenings watching the Golden Girls and HGTV, but I know you will be watching with me in spirit. I miss you and love you grandmother infinity times infinity and beyond!
