“ Auntie Bessie.

You have our deepest an upmost sympathy during this time of the loss of your son. Our Prayers and thoughts go out to you at this time. We pray that God gives you and your family comfort peace and love, while he gives you the assurance of his protection and unfailing love, during the days and weeks ahead.

When you pass through the waters, I will be with you; And through the rivers, they shall not overflow you. When you walk through fire you shall not be burned, Nor shall the flame scorch you. Isaiah 43:2

May God Bless You!
