“ Dear Marsh family, I am so very sad to hear about the loss of such a kind and considerate gentleman. I also worked with Mr Marsh through the child support agency. My Marsh always remembered the clerks at the courthouse with sweet treats of all kinds, especially chocolate! He will be missed.

“ What a wonderful and compassionate human being! He was wise beyond his years and always had a kind word to say and a wonderful sense of humor. When I first came to Child Support, he informed me that we had attended the same high school, which I was not aware of. Nothing appeared to stress him even when the rest of us were pulling our hair out, so to speak. He was a dear person and will be tremendously missed. He is in the safety and comfort of the dear Lord now, among Angels.....

“ My deepest sympathy to the Marsh family, Ervin and I worked together for over twenty years until his retirement. We shared many conversations and lots of laughs. Ervin loved to garden and cook and looked forward to him preparing meals to share with the office. Rest in peace, my friend, until we meet again,

“ Mr. Marsh was my supervisor at CSE. I will never forget his wisdom and sense of humor. His cooking in the crock pot for lunch and walking up to the Carlie C's on break. The way he said Ms. McCrimmon when someone wasn't happy about not getting any money or getting money taken away from them. You will be missed Mr. Marsh.
